# Summary

- Objective
- Research vs. Dissemination
- Description of work
- Tasks and Deliverables
- Tentative Agenda

# WP9 - Objectives

## **Research:**

- The Objective of the WP is Validation and Training for end users in the safety consultancy community and for commercial company in house safety experts and assessors. Dissemination and outreach of the results and of the training materials to the wider industrial community will be also included in this WP

## **Dissemination:**

- The dissemination activity, which will be not only sharing of results within EU's technical community, but will also attract potential users' interest and lead network providers and content producers companies to express their opinion and advice on their "wish list".

# Research

- Training program to be developed on “Strong pedagogical Basis” thanks to Human Factor expert Partners
- Training workshops for a wider end-user group
- Knowledge acquired by seconded personnel to be returned to the sending institution
- IPR management

# Research tasks and deliverables

- Training material for industries
- Plan of scientific communications
- Plan for commercial exploitation
- Plan for IPR

# Dissemination

- Web site for public awareness and for internal use
- Wikipedia page and newsletter written by the Marie Curie fellows
- International open workshop
- Technical articles and conferences
- Link with other EU projects

# Dissemination tasks and deliverables

- Web-site information package
- Wikipedia information package
- Multimedial material to be openly shared

# Tentative Agenda

- **ER/ESR**: to provide material for training to end user group
- **ER/ESR**: to resume knowledge acquired during secondment period; **DAPP**: to circulate relevant form;
- **TCD/POLITO/UKRA**: to plan training for knowledge transfer;
- End user group to be created for training and dissemination plan (**to be discussed**);

# Tentative agenda

- **ER/ESR**: to summarize and to keep updated description of work relevant to their activities (both public and private);  
**POLITO** to update website
- To publish a resume in Wikipedia (**to be discussed**);
- Newsletter to be distributed to associations (3ASI, AIDIC, ESREDA etc.) (to be discussed Serbian and/or Irish associations);

# Tentative agenda

- **POLITO** to organize final workshop;
- **ER/ESR**: to collect articles and conferences participation;  
**DAPP** to circulate relevant form;
- **ALL**: to agree a dissemination plan (minimum number of publications, conferences to be targeted etc.)
- **ALL**: select EU project to be targeted for connection
